

SONGWON appoints new distributors in Japan and India for its Fuel & Lubricant Additives

Ulsan, South Korea – January 20, 2025 – Songwon Industrial Co., Ltd. announced today the appointments of 2 new distribution partners in Japan and India for its Fuel & Lubricant Additives (FLA) Business Unit.

SONGWON has extended its successful distribution partnership with Connell Brothers to include Japan (<https://www.caldic.com/>) and the non-exclusive supply of its full range of Fuel & Lubricant Additive (FLA) products (SONGNOX® L101, L107, L115, L135, L570 and L670) to Japanese customers. Leveraging its vast experience, Connell Brothers Japan Co. Ltd will focus on identifying and developing new customer opportunities and accelerating SONGWON's expansion in the FLA market in Japan.

SONGWON has also signed a non-exclusive distribution agreement with KK India (www.kkindia.net) to supply its full range of FLA products (incl. aminic, phenolic, phosphite and thioester additives), to customers across India and the sub-continent, covering Bangladesh, Sri Lanka and Nepal. With its rapidly expanding industrial sector and increasing demand for high-performance lubricants, India is a key growth market for SONGWON.

These new strategic partnerships, both effective January 2025, will help SONGWON to solidify its position as a trusted partner in the global Fuel & Lubricant Additives market, committed to delivering high-quality solutions.
