

HEALTH & SAFETY POLICY

SONGWON Vision

To be a global leader in the specialty chemicals industry with a solid and sustainable growth, creating value for all our stakeholders.

SONGWON Mission

To be the supplier of choice by providing our customers with best-in-class service, a high quality, a competitive and innovative range of products as well as customized solutions.

It is our duty to observe governance and act in accordance with environmental and social responsibility.

SONGWON Health & Safety Policy

All employees of Songwon Industrial Co., Ltd. make continuous improvements to secure the health and safety of workers with health and safety as the top priority.

SONGWON has established a health and safety management system to meet stakeholders' requirements and to minimize potential accidents and property losses.

With our Health & Safety Policy, we are committed to:

Zero safety accidents
Compliance with health and safety laws and regulations
Minimize disasters and diseases to ensure healthy workplaces
Establish a safety culture through health and safety trainings and activities
Identify potential hazards and risks and make improvements
