SONGWON’s history

Founded in 1965, SONGWON is headquartered in Ulsan, South Korea and operates group companies all over the world.

Since it launched its first product, a PVC stabilizer, more than 50 years ago, SONGWON – formerly the only plastic additives manufacturer in Korea – has grown to become the second largest producer of polymer stabilizers worldwide and a key player in the specialty chemicals business.

Today, SONGWON offers the combined benefits of a global framework and readily accessible local organizations.
SONGWON provides customers with warranties and representations as to the chemical or technical specifications, compositions and/or the suitability for use for any particular purpose exclusively in individual written agreements.

The facts and figures contained herein have been carefully compiled to the best of SONGWON’s knowledge but are essentially intended for informational purposes only.

SONGWON Industrial Group does not accept any liability whatsoever for any information, reference or advice provided in this document or any similar SONGWON publication.
